Make money as soon as today. These days, it's difficult for teenagers to get jobs because the economy is suffering. Older people are now filling positions that have traditionally been entry level jobs held by young adults. Well, High School students can start their own businesses and work for themselves, be their own boss and even have employees. This book will show them just how easy it is to start making money the very same day after reading my book. I have provided 20 different business ideas and how to start these businesses on a small budget. A few business ideas can be used to generate very quick profits, as well be sustained for long periods of time. Some business ideas are big money makers and can be used to grow as big as an Entrepreneur might want. Whichever a student might want, this book provides young Entrepreneurs the basic formula to run their own business and can even be taken with them to College to continue running their business.
