James Joyce and the Russians

Neil Cornwell

James Joyce and the Russians Neil Cornwell

This original three-part study examines Russia, Russians and their culture in Joyce's life and establishes a Russian theme running through his work as a whole, from the earliest writings to *Finnegans Wake*. It discusses contacts and parallels between Joyce and three Russian figures: Bely, Nabokov and Eisenstein (and, more briefly, Pasternak). Thirdly, it details the Soviet reception of Joyce from 1922 until publication of the first Russian *Ulysses* in 1989, as well as surveying Marxist approaches to Joyce. A full bibliography of Russian and western sources is included.
