Portraits: A Novel

Cynthia Freeman

Portraits: A Novel Cynthia Freeman

From New York's Lower East Side to San Francisco, four generations of an immigrant family in America come to vivid life in this timeless saga by bestselling author Cynthia Freeman

In an act of great courage and will, Esther Sandsonitsky leaves her abusive new husband and tiny village on the border between Poland and Germany for the more welcoming shores of the United States. When she makes her way through the throng at Ellis Island, the world is on the threshold of a new century. But Esther is on her own quest: to capture a piece of the American dream for her children, including Jacob, the son she was forced to leave behind.

Portraits tells an indelible story of the struggles and sacrifices of a family—and a people—searching for a place to belong.

From reader reviews:

Ethel Fung:

Have you spare time for any day? What do you do when you have a lot more or little spare time? Yep, you can choose the suitable activity to get spend your time. Any person spent their particular spare time to take a walk, shopping, or went to often the Mall. How about open or even read a book eligible Portraits: A Novel? Maybe it is being best activity for you. You already know beside you can spend your time with the favorite's book, you can more intelligent than before. Do you agree with its opinion or you have various other opinion?

Adam Youngblood:

Book is usually written, printed, or illustrated for everything. You can realize everything you want by a reserve. Book has a different type. As you may know that book is important issue to bring us around the world. Alongside that you can your reading proficiency was fluently. A reserve Portraits: A Novel will make you to become smarter. You can feel much more confidence if you can know about anything. But some of you think in which open or reading a book make you bored. It's not make you fun. Why they might be thought like that? Have you seeking best book or acceptable book with you?

Gordon Woods:

As people who live in the actual modest era should be upgrade about what going on or data even knowledge to make these keep up with the era and that is always change and advance. Some of you maybe may update themselves by studying books. It is a good choice for you personally but the problems coming to you is you don't know which one you should start with. This Portraits: A Novel is our recommendation to help you keep up with the world. Why, because book serves what you want and need in this era.

Cynthia Harvell:

As a pupil exactly feel bored to reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the professor want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Portraits: A Novel can make you really feel more interested to read.
