With their riches quickly dwindling, the royal families are forced to lay-off a number of loyal staff members. However, a few of these beautiful servants are willing to go the extra lewd mile with their services -- if it means keeping their job.

And so, after **young and inexperienced** Eva walks in on the butler giving the Lady of the Estate a thorough ramming... she knows that her job is in jeopardy, unless... she can give the **handsome, mature Lord** something that he desperately needs -- **her ripe, untouched body!**

What begins as a lusty ploy quickly takes a **taboo turn**, where the youthful girl will be **filled with much more than thick, throbbing satisfaction!**
