Thinking through the Body: Archaeologies of Corporeality

Thinking through the Body: Archaeologies of Corporeality

What is the archaeology of the body and how can it change the way we experience the past? This book, one of the first to appear on the subject, records and evaluates the emergence of this new direction of cross-disciplinary research, and examines the potential of incorporating some of its insights into archaeology. It will be of interest to students, researchers, and teachers in archaeology, as well as in cognate disciplines such as anthropology and history.
