Rochelle Marks is working hard to build a name for herself that has nothing to do with her pinup-girl curves. She's made mistakes in the past, and now she's trying to stop her little sister, Stacy, from making worse ones. Rochelle's done with being nothing more than someone's good time. Tech mogul Travis Cochran's hard-won new priorities have brought him to town as a university lecturer, but he's come for something else, too: the smart, sassy, gorgeous woman who's been in his head for months. When Stacy's choices draw her big sister into a web of down-home crime and cold-blooded murder, Travis's mission gets a whole lot more urgent. Now convincing Rochelle to trust him isn't just about winning her back. It may be the only way to keep her alive...
