New Yorker Ginger Colby, half witch, half werewolf, all curves, has made an immediate and lasting impression on the Alpha of Blue Moon County. Unfortunately, she did it by publicly insulting him – she turned down the smug, sexy werewolf sheriff when he asked her to dance with him at the local honky-tonk.

Now the furious Alpha of her pack is ordering her to make amends with Sheriff Sexy – or risk igniting a war between the Red Wolves and the Gray. The Sheriff's idea of re-establishing his dominance includes a bare bottom spanking, making her work for him as his new assistant, and flirting with her outrageously. But is he flirting with her just to get revenge for humiliating him – or does he want something more? And can a liberated big city werewolf find happiness with a dominant small town shifter?

With the mysterious disappearance of an archeology professor, and a jealous Alpha female stirring up trouble...Ginger may not have a chance to find out!
