After the stories are done, *their* stories go on.

One of the great parts of writing a long, family saga is that I get to revisit characters who have already hit their happily-ever-after. Over the past couple years I've written short vignettes revisiting characters from the SIX PACK RANCH series. They're written specifically for readers who have already enjoyed the main stories, and these short visits with favourite friends are sent out in newsletters, and are available for FREE ON MY WEBSITE.

But, for those readers who want to have them on their ereader, I've now made them available for your convenience. Check first to see where they fit into the full series if you want to avoid spoilers for books you haven't yet read!
