**David Myers:**

As a student exactly feel bored for you to reading. If their teacher asked them to go to the library or make summary for some guide, they are complained. Just minor students that has reading's spirit or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to right now

there but nothing reading seriously. Any students feel that looking at is not important, boring in addition to can't see colorful images on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Taken by Storm, 1938: A Social and Meteorological History of the Great New England Hurricane by Lourdes B. Avilés (2013-10-15) can make you really feel more interested to read.
