The Lady Chapel: The Owen Archer Series - Book Two Candace Robb

“A lovingly detailed background informs and animates the plot at every point.” ?KIRKUS

Perfect for fans of both Ellis Peters and CJ Sansom, THE LADY CHAPEL is a vivid and immersive portrait of court intrigue and a testament to the power of the medieval guilds.

Summer in the year of our Lord 1365. On the night after the Corpus Christi procession, a man is brutally murdered on the steps of York Minster. The next morning his severed hand is found in a room at the York Tavern—a room hastily vacated by a fellow guild member who had quarreled with the victim.

Archbishop Thoresby calls on Owen Archer to investigate. As Owen tracks the fleeing merchant, he uncovers a conspiracy involving a powerful company of traders, but his only witness is a young boy who has gone into hiding, and his only suspect is a mysterious cloaked woman. When Owen discovers a link between the traders and a powerful coterie in the royal court, he brings his apothecary wife Lucie into the race to find the boy before he is silenced forever by the murderers.
