BETTER WATCH YOUR BACK

This is the first book in a 2-book series.

College student Courtney Hartford's worries are confined to doing well in school and having an active social life. That is, until she witnesses a murder.

And then recognizes the murderer.

His warning not to tell, coupled with his threat against her life and the life of her mother, pushes her to make a difficult decision--tell the police the truth, or let the people who are threatening her control her life.

Witness does not contain any profanity or sexual content.
