***New York Times* and *USA Today* bestselling author Penelope Douglas delivers an unforgettable New Adult romance that toes the fine line between love and hate....**

My name is Tate.

He doesn't call me that, though. He'll barely refer to me at all, and he'll hardly ever speak to me.

But he still won't leave me alone.

We were best friends once. Then he turned on me and made it his mission to ruin my life. I've been humiliated, shut out, and gossiped about all through high school. His pranks and rumors got worse as time wore on. I even went to Europe for a year, just to avoid him.

But I'm done hiding from him now, and there's no way I'll allow him to ruin another year. He might not have changed, but I have.

It's time to fight back.

**When one brave young woman stands up to her best friend Jared, now tormenter, the consequences go beyond anything either of them ever would have imagined....**
