Images and symbols are part of our world language and The Dream Bible provides a comprehensive illustrated guide to them, showing readers how to recognize and understand their messages. They hold an insightful and simple wisdom that comes to us uninvited every day of our lives. Using this handbook to interpret these symbols will help readers to discover the depths of their inner wisdom and facilitate their spiritual, emotional and intuitive growth.

Symbols inform not only about the past, but also have the potential to direct us towards future growth and development. Covering universal and culturally bound symbols, this reference enables users to work with these symbols to connect them to their intuitive awareness.

Brenda Mallon is an inspirational therapist who has been researching dreams for over 20 years. She runs national and international workshops on creativity, dreams and healing. She is also on the board of directors for the International Association for the Study of Dreams and their International Dream Time Project representative for the UK and Ireland. She lives in Manchester, England.
