Evidence-Based Reading for grade 2 offers 64 pages of reading practice. Each question is designed so that students learn to support their answers with evidence from the text. The Applying the Standards: Evidence-Based Reading series for students in kindergarten to grade 5 emphasizes close reading by requiring students to answer text-dependent questions in both literary and informational texts. Various reading and vocabulary skills are covered, and a culminating reflection question for each passage engages students' higher-level thinking skills. Of particular emphasis throughout the series are the Common Core State Standards and the teaching of evidence-based reading.
