Reclusive author Nick Dawkins cherishes his solitude. Nothing pleases him more than a life devoid of human contact until an encounter with one of his most dedicated fans leads to a series of spine-tingling, mind-bending events.

Nick's new reality rivals any he could have conjured up in his books. The nightmare scenarios he created for his fictional world soon become his reality. Nothing he says or does can stop the madness around him. With limited tools in his social arsenal, distinguishing friend from foe, truth from reality, fairytale from nightmare will be impossible.

With a twisted, sadistic storm raging all around him, will the once-revered author survive long enough to outwit the madmen that he unknowingly created in the pages of his books?

Find out in Flypaper, a series filled with twists, turns, and heart-stopping thrill rides.
