God's Design (Making Him Known) Sally Michael, Gary Steward

This full-color guide teaches children about God's design for men and women. In easy-to-understand language, parents will be able to teach their children how God made us in his image, how sin distorts God's good design, and how they can pursue godly manhood and womanhood. Each chapter explores what the Bible teaches about husbands and wives, fathers and mothers, marriage and singleness, and more. As children discover the beauty in God's design, they will learn to be thankful for how they are made and to glorify God in how they treat others of the same and different gender. Each chapter includes application questions and activities.
