The ICEBE conference in Windhoek is the sixth in a series of annual conferences on engineering and business education. It is organized by the Robert-Schmidt-Institute (University Wismar), hosted by Polytechnic of Namibia and co-organised by University of Applied Sciences Jena. The conferences were held in Sibiu (Romania), Manila (Philippines), Cape Town (South Africa) and Wismar (Germany). The theme of the Windhoek Conference is “Innovation, Entrepreneurship and Sustainability which describes the emphasis that is laid on always using these three terms in combination, i.e., not to consider one in isolation from the others. Thus the primary target of this conference is to provide the delegates with cross-disciplinary thinking related to the three main streams in engineering and business education.
