“It’s all about ‘Happy Endings’” comprises of 3 prominent love stories, out of many, in Rahul’s life where each story suitably leads to the next. Each story played a vital role in changing his thoughts, his behaviour, him and his life in a certain way. One made him bad, another turned him into someone good, but his true love transformed him to a man.

It’s a story of a boy, about his belief (disbelief) in love and interestingly about his glamorously advertised so-called '5-categories of girls' deep understanding on women and their psychology. While we all rest our cases in agreement that the latter is a highly debatable topic, find out how this innocent yet sinful love story, with numerous and humorous twist & turns, unfolds to have a beautiful and a touching ‘Happy Ending’.
