**Marked for the Alphas: MMF Bear Shifter Romance** Claudia Daye

Sophie Peters has never thought much of the birth mark on her inner thigh until two alpha bear shifters, Reid and Broden, search her body and discover it.

The sacred werebear texts foretells that the tribe will one day mate with a human female, the marked one. Tradition holds that the two alphas share one mate, and it's past time for Reid and Broden to find one.

Sophie never dreamed of being wedded to two men, yet as her feelings for the alphas grow, she couldn't imagine it any other way. The alphas and their human are ready for their happily ever after, but the tribe might not take kindly to outsiders on their island, especially a human. Sophie will have to face an island full of werebears and prove to them that she is the subject of the ancient prophecy.

Writer's Note: Contains steamy, explicit love scenes between two alpha bear shifters and their female mate.
