Selene is far more than a coloring book! The story of Selene, the bull-leaper, is a story of a young woman who defeats fear and socialization, and gains self-hood through accomplishments of her own. Her name means moon and this name was common for young women to take up in honor of the Moon Goddess ... Selene. Selene was pictured on the temples and walls of Asia Minor sitting atop a white sow. So while this story is fictional, it is based on the history we do know.
