The Mysteries of Mithra Franz Cumont

THE present work, in which we purpose to treat of the origin and history of the Mithraic religion, does not pretend to offer a picture of the downfall of paganism. We shall not attempt, even in a general way, to seek for the causes which explain the establishment of the Oriental religions in Italy; nor shall we endeavor to show how their doctrines, which were far more active as fermenting agents than the theories of the philosophers, decomposed the national beliefs on which the Roman state and the entire life of antiquity rested, and how the destruct on of the edifice which they had disintegrated was ultimately accomplished by Christianity. We shall not undertake to trace here the various phases of the battle waged between idolatry and the growing Church; this vast subject, which we hope some day to approach, lies beyond the scope of the present work. We are concerned here with one epoch only of this decisive revolution, it being our purpose to show with all the distinctness in our power how and why a certain Mazdean sect failed under the Cæsars to become the dominant religion of the empire. THE ORIGINS OF MITHRAISM THE DISSEMINATION OF MITHRAISM IN THE ROMAN EMPIRE MITHRA AND THE IMPERIAL POWER OF ROME THE DOCTRINE OF THE MITHRAIC MYSTERIES THE MITHRAIC LITURGY, CLERGY AND DEVOTEES MITHRAISM AND THE RELIGIONS OF THE EMPIRE MITHRAIC ART A pukka classic from www.arepo.biz

From reader reviews:

Alyson Ward:

Here thing why this kind of The Mysteries of Mithra are different and dependable to be yours. First of all reading a book is good but it really depends in the content of computer which is the content is as delightful as food or not. The Mysteries of Mithra giving you information deeper as different ways, you can find any book out there but there is no e-book that similar with The Mysteries of Mithra. It gives you thrill examining journey, its open up your eyes about the thing which happened in the world which is might be can be happened around you. It is possible to bring everywhere like in recreation area, café, or even in your means home by train. When you are having difficulties in bringing the published book maybe the form of The Mysteries of Mithra in e-book can be your substitute.

Edward Chavez:

Information is provisions for those to get better life, information today can get by anyone on everywhere. The information can be a know-how or any news even a problem. What people must be consider if those information which is from the former life are difficult to be find than now is taking seriously which one is acceptable to believe or which one often the resource are convinced. If you receive the unstable resource then you get it as your main information it will have huge disadvantage for you. All of those possibilities will not happen inside you if you take The Mysteries of Mithra as your daily resource information.

Francisco Garcia:

In this particular era which is the greater person or who has ability in doing something more are more treasured than other. Do you want to become one of it? It is just simple way to have that. What you have to do is just spending your time not much but quite enough to enjoy a look at some books. Among the books in the top record in your reading list will be The Mysteries of Mithra. This book that is qualified as The Hungry Mountains can get you closer in growing to be precious person. By looking upwards and review this book you can get many advantages.

Randi Adams:

As a student exactly feel bored to be able to reading. If their teacher expected them to go to the library or make summary for some book, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that reading is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this The Mysteries of Mithra can make you feel more interested to read.
