There is a space within you where you are already perfect, whole, and complete. It is pure consciousness - the space inside of which all thoughts come and go.

When you rest in the feeling of this space, the warmth of it heals your mind and body. When you operate from the infinite creative potential of this space, you produce high levels of performance and creative flow. When you sit in the openness of this space with others, you experience a level of connection and intimacy that is breathtakingly enjoyable and filled with love. And when you explore this space more deeply, you will find yourself growing closer and closer to the divine, even if you're not sure there is such a thing and wouldn't know how to talk about it if there was.

Every problem we have in life is the result of losing our bearings and getting caught up in the content of our own thinking; the solution to every one of those problems is to find our way back home. This is both the invitation and the promise of this book.

**One problem. One solution. Infinite possibilities. Are you ready to begin?**
