God knows your needs--and He has His angels ready to help you!

Have you ever had a close call? Do you sometimes sense that you are not alone? Do you wonder if you have ever met an angel "unaware"?

When Betty Malz was a young mom, she suffered a ruptured appendix and, after many fatal complications, was declared dead. Twenty-eight minutes later, she returned to life--bringing with her a vibrant and encouraging message about these heavenly helpers called angels.

Over the years that followed, Betty spoke and wrote about her amazing experience--including the armies of angels she saw awaiting God's commands to help His people. And it seemed that everywhere she turned, she met others eager to tell her about their encounters with angelic beings.

This book is the culmination of that journey. Here you will discover biblical answers to questions such as:

- When do angels help us?
- What do protecting, rescuing and messenger angels actually do?
- How do we know if an angel is God's servant or one of Satan's hosts trying to deceive us?
- Can angels intervene when we face temptation?
- How do we pray for divine assistance?

This book will help you understand God's purpose for these heavenly helpers in every area of your life. Be encouraged to trust in His loving care--for He truly has angels by your side.
