Jonathan Swift (1667–1745) was an Anglo-Irish satirist, essayist, poet and cleric. Swift is probably the foremost prose satirist in the English language; known for being a master of two styles of satire: the Horatian and Juvenalian styles. In 1729, published "A Modest Proposal for Preventing the Children of Poor People in Ireland Being a Burden on Their Parents or Country, and for Making Them Beneficial to the Publick", a satire in which the narrator, recommends that Ireland's poor escape their poverty by selling their children as food to the rich. This collection, contains his best works, in their original editions: A Tale of a Tub, The Battle of the Books, The Drapier's Letters, Gulliver's Travels & A Modest Proposal.
