The Container

Rutherford Chang: Game Boy Tetris (The Container: Catalogues) (Volume 9) The Container Game Boy Tetris is a bilingual (Eng/Jap) catalogue for an exhibition by the New York artist, Rutherford Chang, at The Container in Tokyo. His installation presents the artist's obsessive tendencies and preoccupation with repetitive activities, showcasing 1,764 videos of documentation of Chang's efforts to rise to Tetris world domination. Currently ranked #2 worldwide by Twin Galaxies, the official record-keeper. It's safe to say that Chang's sights are still on the top position and that he's not giving up anytime soon. The Container is a contemporary art gallery in Nakameguro, Tokyo. The gallery has opened in March 2011 to create a site that encourages people to engage with art installations and works, where the emphasis is on curation and the accessibility of contemporary art and ideas to the general public. As the name suggests, the physical space is no more than a constructed shipping container (485x180x177cm), made to measurements of old Japanese shipping containers, housed inside Bross hair salon, in one of Tokyo's most loved and trendy neighbourhoods. The Container invites Japanese and international artists to make site-specific installations four times a year. Each installation remains on view to the public for two-and-a-half months. The gallery receives extensive international coverage, including ArtAsiaPacific, Artforum, Hyperallergic, Glass Magazine, Art & Antiques Magazine, Dazed & Confused, Blouin Artinfo, Art-iT, Bijutsu-Techo/BT, NHK, Tokyo Art Beat, The Japan Times, and The Sunday Times, travel guides and in-flight magazines, to mention only a few. www.the-container.com

From reader reviews:

Anthony Thies:

Why? Because this Rutherford Chang: Game Boy Tetris (The Container: Catalogues) (Volume 9) is an unordinary book that the inside of the guide waiting for you to snap it but latter it will zap you with the secret it inside. Reading this book close to it was fantastic author who write the book in such remarkable way makes the content on the inside easier to understand, entertaining approach but still convey the meaning totally. So , it is good for you for not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of advantages than the other book have such as help improving your skill and your critical thinking way. So , still want to hold off having that book? If I had been you I will go to the book store hurriedly.

Nancy Garcia:
