## **The Beatles Graphic** Herve Bourhis

Hervé Bourhis, creator of *The Little Book of Rock*, turns his unique graphic talents to the legend of The Beatles, told from the very beginning.

Bourhis' visual imagination illuminates the individual lives of each band member from their pre-Beatles youth to what would become a rock band of phenomenal worldwide fame.

All of the epic details of their story are vividly evoked: the triumphs, the quarrels, the supreme musical creativity and of course the inevitable break-up.

The story then goes on to follow the personal destinies of John, Paul, George and Ringo, four Liverpool lads who were by turns ambitious, clever, facetious, arrogant, down-to-earth and supremely talented.

Theirs was the ultimate rock band story and Hervé Bourhis has done it —and them — full justice in this superb and exuberant graphic biography.
