Let's face it, the Democrats have said some dumb things over the years. Now those gaffes have been gathered in one place and put to good use – they inspired the recipes in this cookbook!!

Learn how to make zucchini boats, inspired by Nancy Pelosi, who really missed the boat when she said that "\$500 million Americans lose their jobs" every month. (Uhhh, we guess numbers aren't her strong suit.) Enjoy sinfully delicious bacon cheese fries – they're full of crap, just like Al Gore! And of course there's a recipe for black-eyed soup, because sometimes you just feel like giving a democrat a black.

If you're a beginner chef, not to worry -- you'll enjoy super easy recipes like our fail-proof pot roast dinner and crockpot teriyaki chicken. (Hey, for some Democrats you gotta keep things reeeeeally simple.)

If you can't help but chuckle at Democrats' goofs and enjoy a good meal, this is the book for you. Although to quote former president Bill Clinton, it might depend on "what the meaning of the word 'is' is."
