The House of Moses All-Stars: A Novel Charley Rosen

Here is the story of an all-Jewish basketball team traveling in a hearse through Depression-era America in search of redemption and big money. A hilarious road novel, *The House of Moses All-Stars* is also a passionate portrayal of a young Jewish man struggling to realize his dreams in a country struggling to recover its ideals. Charley Rosen gives us basketball as a metaphor for life.

Aaron Steiner, the protagonist of *The House of Moses All-Stars*, is a man very close to the edge. The former college basketball star has watched his dreams of being a successful player fall apart, his marriage disintegrate, and his baby die. In desperation he accepts his friend's offer to join a Jewish professional basketball team—The House of Moses All-Stars—which is traveling on a cross-country tour in a renovated hearse. Aaron's teammates—a Communist, a Zionist, a former bank robber, and a red-headed Irishman who passes for a Jew—are, like Aaron, trying to escape their own troubled pasts. As the members of this motley crew travel west to California through an anti-Semitic land that disdains and rebuffs them, they discover a nation grappling with social and economic collapse and fear of foreigners, in conflict with its own democratic ideals of tolerance and opportunity. Told with a rueful eye, *The House of Moses All-Stars* looks critically and lovingly at what it means to be an outsider in America.
