When Dahlia comes across an intriguing internet posting on a BDSM hookup site, her curiosity gets the better of her. After contacting the poster she finds herself meeting a woman claiming to be the representative of a wealthy man. The woman known only as 'Mrs. O' promises money beyond Dahlia's wildest dreams if she participates in a less than conventional sexual situation.

After agreeing to meet the client and discuss terms, she's shocked to discover the man is actually a handsome, wealthy billionaire. Puzzled as to why he would have to pay for sex, Dahlia quickly learns that all good things in life come with a price...

A hot new BDSM series from the author of Tame Me and Billion Dollar Baby.
