**From Book 1:**

## A New York Times and USA Today bestseller

*I have no idea why she auctioned off her virginity for a cool mill. Regardless, I'm now the proud new owner of a perfectly intact hymen. A lot of good that will do me. I have certain tastes, certain sexual proclivities. My cock is a bit more discriminatory than most. And training a virgin takes finesse and patience - both of which I lack.*

Sophie Evans has been backed into a corner. With her sister's life hanging in the balance, the only choice is to claw her way out, even if that means selling her virginity to the highest bidder at an exclusive erotic club. When Colton Drake takes her home, she quickly learns nothing is as it seems with this beautifully troubled man. Being with him poses challenges she never expected, and pushes her to want things she never anticipated.
