Based on extensive research, Grammar and Beyond ensures that students study accurate information about grammar and apply it in their own speech and writing. This package includes both Student's Book, Level 2, and Writing Skills Interactive, Level 2. In the Student's Book, learners study the grammar in a realistic text and through corpus-informed charts and notes. The exercises provide practice in reading, writing, listening, and speaking. Students learn to avoid common mistakes and to apply the grammar in academic writing. Writing Skills Interactive provides online instruction and practice in academic writing skills and academic vocabulary. Animated presentations of the writing skill lead to automatically graded practice. Each unit closes with a quiz, which allows students to assess their progress.
