Pest Control Bill Fitzhugh

Bob Dillon is a down-on-his-luck exterminator from Queens who just wants to make a killing with his radical new environmentally friendly pest elimination technique, involving his hybrid assassin bugs (a very real group of insects). But when Bob decides to advertise, his flyer falls into the hands of a European murder-for-hire broker who mistakes Bob for a professional assassin. Before he knows it, Bob's "competition" targets him for extermination, sending him running for his life from a motley collection of the world's deadliest and most outrageously eccentric contract killers.
