She was running toward her future. He was running from his past. When their worlds collided, nothing could prepare them for what was to come.

Reeling from Luke's betrayal, Embry Jacobs is lost and looking for answers. His lies have ripped them apart, forcing her to question everything she thought she knew about the man she loves. But to give Luke another chance, she'll have to forgive his lies and risk her already fragile heart.

Luke Brody's past has finally caught up to him — in more ways than one. After losing the only woman he's ever loved, he'll do anything to get her back. But when he finally has the chance to make things right, unforeseen circumstances threaten to tear them apart once more.

When the truth comes out, will it set them free or break them both?
