Stephen Crane

War Is Kind and Other Poems (Dover Thrift Editions) Stephen Crane

A unique stylist and one of the most innovative and talented writers of his generation, Stephen Crane (1871–1900) won lasting fame as a novelist (*The Red Badge of Courage*, *Maggie: A Girl of the Streets*) and short story writer. Described by William Dean Howells as a writer whose genius seemed to "spring to life fully armed," Crane also produced impressive free-form verse.

This excellent anthology contains nearly all of Crane's verse, including two complete books of poems: *The Black Riders and Other Lines*, which garnered immediate praise; and *War Is Kind*, ablaze with vivid imagery. Here, too, are rewarding selections from his uncollected poetic works. Thought by some critics to anticipate the Imagist movement of the twentieth century, Crane's poems are usually brief, cadenced, and rhymeless, rich in drama and symbolism, and spiritually penetrating.
