When Courtney gets caught in 'the act' by the handsome Mr. Clark, she knows there's a good chance that she will get expelled. So, when her sexy teacher gives her the chance to 'make up' for the trouble she caused, she promises to do whatever he wants. Now, she is nearly naked in front of him, and his talented fingers are teasing her little nipples erect and her after noon has only just begun.

From the book:

He sat back and regarded her for a long moment.

Courtney swallowed and stood there, uncertain of what came next. "Wh-what are you going to do?" she asked.

"You said I could do anything I want. Well, that's exactly what I'm going to do," he leaned forward and ran a fingertip up her thigh. His eyes captured hers. "I'm going to do anything I want to you."

For Adults Only: This erotic story (about 3,000 words) includes descriptions of erotic sexual situations between an older man and a younger woman. It is intended only for adults over the age of 18 and all characters are represented as 18 or over.
