**Officiant de cérémonie laïque, un nouveau métier en chiffres (French Edition)** Nicolas Vaselli

Apparu vers la moitié des années 2000, le métier d'officiant de cérémonies laïques reste encore confidentiel et méconnu du public.

On estime qu'il y a, en France, une centaine d'officiants professionnels déclarés comme tels, le double si on considère les pratiques occasionnelles de certains professionnels du mariage.

Cette profession n'étant pas encore structurée, ni réellement visible vis-à-vis du grand public, il est difficile d'avoir une visibilité sur les activités pratiquées, les produits et les services proposés.

Cet ouvrage présente les résultats de la première grande enquête du genre réalisée auprès de 48 officiants professionnels. Vous découvrirez une synthèse graphique (courbes, histogrammes, secteurs,...) des principales caractéristiques de ce métier, une présentation simple et factuelle, que vous pourrez interpréter à votre guise

Deux objectifs :

- mettre en lumière cette profession encore méconnue ;
- mieux connaître cette activité, et, pourquoi pas, générer de nouvelles vocations !
