Contrary to what many people think, having the best product or service, a great new idea or a ton of capital does not guarantee success. On the other hand, having no money, a bad product, a poor location, or a weak market does not mean that a venture is going to fail. The Power of Broke will teach you how to succeed in business by harnessing the power of creativity and drive.

Here Is A Preview Of What You'll Learn...

- How to 'hustle' in business
- Becoming resourceful when it comes to gaining investors and allies in business
- How to stand out from the competition
- The most important skill to have in business... it's not what you think!
- How to be resilient when faced with tough circumstances
- How to sell yourself and become wealthy doing it
- Top business tips and skills that no university or college is teaching today
- And much, much more!
