## **The Stone of the Eklektos (The Creatures of Darkness) (Volume 1)** Britney Jackson

The world is darker than you realize... Rose Foster is just your typical, smart-mouthed, socially awkward genius from a family full of felons. Okay, fine, so maybe there's nothing typical about her. But she'd at least maintained a semblance of normalcy in her life until the night a ghost-like man gave her a strange, red stone and disappeared without a trace. Rose suddenly finds herself hunted by monsters that she never believed existed. One monster, named Theron, is particularly interested in killing her. Her only hope of survival is to work with Kallias, a cynical, ancient Greek vampire with the ability to read and control minds. As a vampire, he hardly seems trustworthy to her, but he has his own reasons for wanting Theron dead, and that works in her favor. With the help of Kallias, Rose finds unlikely allies among an unusual group of vampires. The only problem is... Rose is almost positive that these vampires are hiding a very important detail about what she is. In her quest to defeat Theron and the vampires that follow him, Rose must face the possibility that she might, in fact, be an even darker monster than the ones that are trying to kill her...
