Calvin & C. S. Lewis - Solving the Riddle of the Reformation Jordan Ferrier

Why do two groups of Christians read the same verses of Scripture and reach radically opposing views of the Sovereignty of God and the Responsibility of Man? Starting with what Augustine called the very beginning of our faith, the system of Calvinism is explained from its foundation in the attributes of Omniscience, Omnipotence and Perfection in God, up through the Perseverance of the Saints. This system of belief, supported by numerous quotes from Augustine, Luther, Calvin, R. C. Sproul, James White, and John Piper, trusts in the absolute sovereignty of God. This is not simply an explanation of what Calvinism teaches, instead this is an explanation of WHY Calvinists all reach the same conclusions of what Scripture teaches. This systematic approach using the writings of Calvin, and supporting evidence from current Calvinists, will help non-Calvinists as well as life-long Calvinists better understand exactly what Calvinism teaches. C. S. Lewis understood Calvinism better than most Calvinists. Beginning with the same attributes of God as they relate to the creation and fall of man, Lewis systematically addressed the foundational reasoning used by Calvin to develop his theology. Finding Orthodoxy is as simple as understanding these two opposing systems of belief. This presentation of what Calvin and C. S. Lewis taught, breaks down a very complex issue into a series of steps that interlock in a way that allows for an understanding of Sovereignty, Responsibility, Election, Predestination, and Salvation.
