"Either you become my wife or you pleasure us all tonight!"

Ara is spoiled for time on her little island hideaway. The lonesome maiden has done just fine for herself on her own and she had every intention of keeping it just like that. The last thing she expected on a stormy night was a visit from three battle-hardened Vikings. **Pure and untouched**, she immediately catches the eye of Ove, the Viking captain, and he knows he must have her.

Faced with a decision, Ara must choose to give her **body for one night to all of them** or lose her independence forever. She chooses the more enjoyable option and she must immediately learn how to **please** the men. **Big, throbbing and hard** are just a few words to describe the demanding men. Ove and his warriors are ready to give Ara the experience of a lifetime, **rough and unprotected!**

In the back of her mind, she can't help but hope - perhaps the men will even gift her with a strong, Viking-born **baby** as a reminder of their heated night!
