Exploring the Little Rivers of New Jersey--first published in 1942--has become a classic, every canoeist's traveling companion and a delight to countless other people who enjoy in imagination or memory the outdoor world of New Jersey. By way of the little rivers, James and Margaret Cawley introduced generations of canoeists and armchair explorers to a quiet, beautiful world of forests and fields, songbirds and wildflowers, towpaths and villages rich in history. Today, you can still explore this "other New Jersey" via the state's little rivers and many miles of canal--through the Pine Barrens, state and county parks, farmlands, suburbs, and crowded cities.
