**Amazon #1 Best Seller in Historical Romance and Regency Romances**

The spirited Catherine Malboeuf has just arrived in England to reclaim her ancestral home, Walsley Manor, and a valuable missing heirloom. Nicholas Adair, the attractive and frustratingly inflexible Duke of Boulstridge, however, is quite unwilling to sell the estate back to Catherine. Unless, of course, she accepts a small wager...

Nick will sell Walsley Manor if--and only if--Catherine secures an offer of marriage from an eligible member of the *ton* before the end of the London season.

Of course, Nick is certain he'll win. After all, no proper gentleman would *ever* marry a woman who conceals a cutlass in her skirts. Yet something about Catherine's unconventional disposition seems to ignite a need deep inside him. A need that won't just cost him the wager, but the very heart he swore to never give away...
