## **The Curse of the White Dragon** Yolanda Arroyo Pizarro

The Curse of the White Dragon is the English translation of the acclaimed book *Avalancha* by Yolanda Arroyo Pizarro. It presents contexts where the foreign body is always in pain and the desire to punish vividly recalls readings such as Susan Sontag. Thus, in stories like "Game over" ("Montar las olas") the experimentation with an ultra-violence in an irrelevant style, reminds us of Burgess's *A Clockwork Orange*. Another perspective stems from the story "Coup the grace" ("Golpe de gracia") in which a cancer patient seeks to quench the unnamable misfortune of living in a society where women have an obligation to be a mother. In this and other stories, the author presents a game with psychoanalysis where reality is distorted when faced with archetypes. Sexual violence is played sideways and with a subtlety that marks just how long the narrative can go without falling into clichés. It does not seek to shock the reader with brutal images, but rather perceptions of the victims themselves. Proof of the above can be found in the story "The gray whales" ("Las ballenas grises") where oblivion is a character in itself. —Nelson Esteban Vera Santiago, literary critic

### From reader reviews:

#### Charles Trask:

Why? Because this The Curse of the White Dragon is an unordinary book that the inside of the guide waiting for you to snap the idea but latter it will surprise you with the secret the item inside. Reading this book close to it was fantastic author who write the book in such amazing way makes the content inside easier to understand, entertaining method but still convey the meaning totally. So , it is good for you because of not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of rewards than the other book possess such as help improving your talent and your critical thinking method. So , still want to postpone having that book? If I were you I will go to the e-book store hurriedly.

#### Christopher Hill:

Your reading sixth sense will not betray a person, why because this The Curse of the White Dragon publication written by well-known writer who really knows well how to make book that may be understand by anyone who read the book. Written throughout good manner for you, still dripping wet every ideas and creating skill only for eliminate your personal hunger then you still hesitation The Curse of the White Dragon as good book but not only by the cover but also by content. This is one publication that can break don't evaluate book by its handle, so do you still needing another sixth sense to pick that!? Oh come on your examining sixth sense already said so why you have to listening to an additional sixth sense.

#### Bruce Crawford:

That guide can make you to feel relax. This book The Curse of the White Dragon was colourful and of course has pictures around. As we know that book The Curse of the White Dragon has many kinds or category. Start from kids until teenagers. For example Naruto or Private investigator Conan you can read and think you are the character on there. So , not at all of book tend to be make you bored, any it offers up you feel happy, fun and unwind. Try to choose the best book for you and try to like reading in which.

#### Dorothy Payne:

As a student exactly feel bored to reading. If their teacher asked them to go to the library or even make summary for some publication, they are complained. Just very little students that has reading's internal or real their passion. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this The Curse of the White Dragon can make you truly feel more interested to read.
