The Order of Melchizedek: Love, Willing Service, & Fulfillment Rev. Daniel Chesbro, Rev. James Erickson

The teachings of Melchizedek—a totally balanced, authoritative incarnation of Christ—on topics such as reincarnation, spiritual development, and free will, are presented in this manual that relates a positive approach to the current transitional stage of spiritual evolution. Contending that the unconditional love of God is bombarding the earth in an influx of neutrinos, this account provides a history of Melchizedek, who is a major influence in both the New and Old Testaments but is vastly understudied in most churches. Promoting a harmonious view of religion—where there is one God, understood and worshiped in a variety of different ways, each serving a purpose to those worshipping and to the overall understanding of spirituality—this testament to the Order is both down-to-earth and profound.
