The Women's Business Resource Guide Barbara Littman

The most comprehensive resource for women entrepreneurs!

- Are you considering starting your own business?
- Would you like free or low-cost expert help on business issues?
- Do you want to expand your existing business?
- Do you provide business-related services to women entrepreneurs?

The Women's Business Resource Guide is a one-of-a-kind directory packed with over 800 programs, organizations, contacts, and publications that help women business owners start and grow their businesses. It provides in-depth information about:

- training programs
- programs for women with special needs
- seminars and publications
- membership organizations
- on-line services
- government organizations
- technical assistance

New to this thoroughly revised, expanded, and updated second edition:

- More extensive coverage of business financing--microloans to venture capital
- Interviews with successful women entrepreneurs--how they started, how they keep going
- Suggestions for selling to the government--how to win those lucrative contracts

Praise for the first edition "Packed full of information. The most inclusive, comprehensive resource guide for women business owners that I have seen." -- Brenda Black, women's business specialist, U.S. Department of Commerce "Very readable with easy-to-find information! This book is a very effective tool for women who are starting or growing a business." -- Harriet Fredman, senior program manager, US. Small Business Administration "Recommended to any woman who inquires about starting her own business." -- *Booklist* Barbara Littman, whose background is in applied design and education, has been self-employed most of her adult life. She owns Information Design Northwest, a communications consulting firm located in Eugene, Oregon.

From reader reviews:

John McKenzie:

In other case, little people like to read book The Women's Business Resource Guide. You can choose the best book if you want reading a book. Provided that we know about how is important a new book The Women's Business Resource Guide. You can add information and of course you can around the world by a book. Absolutely right, simply because from book you can learn everything! From your country till foreign or abroad you can be known. About simple thing until wonderful thing you are able to know that. In this era, you can open a book or even searching by internet product. It is called e-book. You can use it when you feel weary to go to the library. Let's study.

Mary Oliveras:

This book untitled The Women's Business Resource Guide to be one of several books that will best seller in this year, that's because when you read this e-book you can get a lot of benefit on it. You will easily to buy that book in the book shop or you can order it by using online. The publisher of the book sells the e-book too. It makes you quicker to read this book, because you can read this book in your Smartphone. So there is no reason for your requirements to past this e-book from your list.

Susan Crowell:

This The Women's Business Resource Guide is brand-new way for you who has curiosity to look for some information as it relief your hunger details. Getting deeper you upon it getting knowledge more you know or else you who still having bit of digest in reading this The Women's Business Resource Guide can be the light food for you because the information inside this kind of book is easy to get through anyone. These books build itself in the form and that is reachable by anyone, that's why I mean in the e-book form. People who think that in reserve form make them feel drowsy even dizzy this publication is the answer. So you cannot find any in reading a e-book especially this one. You can find actually looking for. It should be here for a person. So , don't miss the idea! Just read this e-book style for your better life and knowledge.

Laura Enriquez:

That reserve can make you to feel relax. This specific book The Women's Business Resource Guide was bright colored and of course has pictures on the website. As we know that book The Women's Business Resource Guide has many kinds or style. Start from kids until teenagers. For example Naruto or Investigation company Conan you can read and think you are the character on there. Therefore not at all of book are generally make you bored, any it offers you feel happy, fun and chill out. Try to choose the best book for you and try to like reading in which.
