BLACK BARBIE 3: "The Hunt Down Of A Psycho Bitch"

Is the final book of the trilogy...

Crazy for control in everything she does, Blaque, a business woman fired from her job, embarks on a money making mission with her brother that leads her to extreme criminal activity on the underground. Her business sense and sharp mind serves her well in the streets as she extorts the club owner her brother works for and builds a business out of pimping the men there. Her heavy handed tactics earn Blaque a ruthless reputation and more money than she could ever imagine before she is met with resistance from a woman hell bent on killing her brother. Now with a worthy challenger threatening to destroy Blaque's control over her world, she must decide if murder is her only option once she finds out the woman's real motives! Sex, money, power, fame, and violence are all tools used to gain one end... CONTROL. Some of us want it more than others but for Blaque it's the only thing she's not willing to compromise.
