Mayo was captain of Julius Marson's pleasure yacht during a cruise in Maine waters and he found himself in the predicament of fancying himself in love with Alma, his employer's daughter, and of being mysteriously in the wrong with Marston. At the same time Captain Candage, a Maine salt, carried off a reluctant daughter, Polly, from her millinery job and village pleasures for a trip in his coastwise schooner. Before Mayo had discovered that Polly was the one that really mattered for him, he steered his way safely through many an adventure of the sea.
