Crawling out of the ruins of a nuke-shattered America, a new reality shapes an unpredictable terrain of human resilience and unabated savagery. Born and bred in Deathlands, Ryan Cawdor has seen the pulsing of its dark heart. And he understands more than most that tomorrow is certain to arrive. But to see it means surviving todayany way he can. Rumors of an untouched predark ville in the mountains of West Virginia lure traders in search of unimaginable wealth. They're coming from all directions the good, the bad, the worst. Ryan and his warrior group join in, although it means an uneasy truce with an old enemy, going back to the days of spilled blood and the legacy of the Trader. But as their journey to a place called Cascade reveals more of Deathlands' darkest secrets, it remains to be seen if this place will become their salvation... or their final resting place.
