### Octopus Pie Volume 4 Meredith Gran

In the fourth installment of Octopus Pie, dreams and harsh reality are beginning to blur. In print for the first time, this volume follows our Brooklynite heroes as they descend into the throes of heartbreak. "Filled with fully-formed characters, Gran has been just as interested in exploring being in your twenties as she is at making jokes and crafting absurd stories... the strip has matured alongside the characters, resulting in an emotional and very natural journey." -Comic Book Resources
