Oeuvres Complètes (French Edition) Olympe de Gouges

Qu'un plus noble emploi, Madame, vous caractérise, excite votre ambition, et fixe vos regards. Il n'appartient qu'à celle que le hasard a élevée à une place éminente, de donner du poids à l'essor des Droits de la Femme, et d'en accélérer les succès. Si vous étiez moins instruite, Madame, je pourrais craindre que vos intérêts particuliers ne l'emportassent sur ceux de votre sexe. Vous aimez la gloire ; songez, Madame, que les plus grands crimes s'immortalisent comme les plus grandes vertus ; mais quelle différence de célébrité dans les fastes de l'histoire ! l'une est sans cesse prise pour exemple, et l'autre est éternellement l'exécration du genre humain.

On ne vous fera jamais un crime de travailler à la restauration des mœurs, à donner à votre sexe toute la consistance dont il est susceptible. Cet ouvrage n'est pas le travail d'un jour, malheureusement pour le nouveau régime. Cette révolution ne s'opérera que quand toutes les femmes seront pénétrées de leur déplorable sort, & des droits qu'elles ont perdus dans la société. Soutenez, Madame, une si belle cause ; défendez ce sexe malheureux, et vous aurez bientôt pour vous une moitié du royaume, et le tiers au moins de l'autre.

Voilà, Madame, voilà par quels exploits vous devez vous signaler et employer votre crédit. Croyez-moi, Madame, notre vie est bien peu de chose, sur-tout pour une Reine, quand cette vie n'est pas embellie par l'amour des peuples, et par les charmes éternels de la bienfaisance.

S'il est vrai que des Français arment contre leur patrie toutes les puissances, pourquoi ? pour de frivoles prérogatives, pour des chimères. Croyez, Madame, si j'en juge par ce que je sens, le parti monarchique se détruira de lui-même, qu'il abandonnera tous les tyrans, et tous les cœurs se rallieront autour de la patrie pour la défendre.

Voilà, Madame, voilà quels sont mes principes. En vous parlant de ma patrie, je perds de vue le but de cette dédicace. C'est ainsi que tout bon citoyen sacrifie sa gloire, ses intérêts, quand il n'a pour objet que ceux de son pays.
